BISHOP'S MESSAGE FOR APRIL 2017

Dear Rev. Fathers and Deacons,

By this letter I intend to give you some important information. All of us are aware through newspapers and electronic media, the situation at Cordel Parish regarding the finance management of then Parish Priest Rev. Fr Valerian Pinto.

Through my correspondence to Fr Valerian Pinto, I informed him that disciplinary action could be taken on him. Meanwhile he appealed to the office of the Congregation for Evangelisation for the peoples. The present Parish Priest V. Rev. Fr Victor Machado also had written to the office of the Congregation for Evangelisation of Peoples. The said office in Rome has written to me that Fr Valerian Pinto has appealed to Rome against the disciplinary measures to which he has been subjected by me.

In this regard the above mentioned mission dicastery consider it important that a peaceful solution is found in order to settle this situation. In order to achieve this, as soon as possible, the congregation considers it necessary that a good priest of the Diocese of Mangalore will be entrusted the task of finding a solution that is acceptable for both parties.

Until an amicable solution is arrived at through the intervention of Rome, all parties should maintain their calm, composure and restraint from any actions or gossip which would not be in the line of procedure, the Holy See has taken. Instead I appeal to you to pray God for an amicable settlement between the 2 parties so that peace is restored. Anything contrary to my suggestion would be a counter witness to our mission, to the Christians and non Christians. I once again appeal to all concerned to await the solution intended by the Holy See.

I invoke God's blessings upon you – the faithful of goodwill. I wish you a prayerful Holy Week and a happy Easter.

+ Aloysius Paul D'Souza
Bishop of Mangalore

13.03.2017

Dear Father,

I have received a communication from the Apostolic Nunciature, New Delhi, Msgr. Henryk Jagodzinski, Charge' d' affaires a.i., dated 9 January, 2017, on behalf of the Congregation for the Evangelization of People, Rome. He writes, "I hasten to inform that the Dicastery has taken due note of the letters sent to it by Rev. Fr. Valerian Pinto, a priest of your diocese with regard to the disciplinary measures to which he has been subject by your Lordship with regards to his ministry as parish priest of the Holy Cross parish in Cordel".

"In this regard, the above-mentioned Missionary Dicastery considers it important that a peaceful solution is found in order to settle this situation. In order to achieve this as soon as possible, the Congregation considers it necessary that a good priest of the Diocese of Mangalore will be entrusted the task of finding a solution that is acceptable for both parties".

In this regard I am in touch with the Nunciature about appointing a suitable person. When I receive the communication from the Nunciature I will inform you.

In view of the above communication I request you to ask the faithful not to agitate or do anything that will harm the good name of the Diocese in particular the parish. I seek your cooperation. Please read out this letter to the faithful.

With regards

Yours sincerely

+ Most Rev. Aloysius Paul D'Souza

Liturgical Guidelines for the Easter Triduum

The Easter triduum is the climax of the liturgical Year. Therefore, it is to be celebrated with care and devotion. In the light of the observations received from Rome on our Missal, I wish to appeal to each priest that we celebrate the liturgy as given in the Missal and in the liturgical books. Let us begin with the Easter, the high point of our redemption:

Holy Thursday

1. It is a day to recall the institution of the Eucharist, the Holy Orders and the New Commandment to be realized in service. The evening Mass, *Cena Domini*, must be the solemn Mass of the day and it is to be celebrated around 6. 00 p.m. However, for pastoral reasons, especially for those who cannot make it for the evening Mass, a simple Mass may be celebrated around 4. 00 p.m. But people are to be instructed on the importance of the Mass of the Lord's Supper.
2. The washing of the feet of twelve, men and women, is to be done at the solemn Mass after the homily.
3. In some parishes there is a custom of giving bread to twelve. Since it has no theological and liturgical significance, **it is to be discontinued** so that the significance of the Eucharistic bread is not confused. In the same way, where there is a custom of distributing bread to people after the Mass, that too is to be discontinued. (This was unanimously agreed by the Rev. Fathers during the Ongoing Formation programme 2016)
4. From **the Gloria of Holy Thursday** to the **Gloria of the Easter Vigil, bells and musical instruments remain silent. Kindly bring this to the notice of the sacristans and the choir.**
5. Since there is NO Mass on Good Friday, sufficient Holy Communion for the next day must be consecrated on Holy Thursday and that is to be preserved in the Tabernacle on the Altar of repose. The Altar of repose is a temporary arrangement. The altar of repose should be simple and manifest

austerity. Kindly avoid **extraordinary decoration and costly flowers**. After the Thursday solemn evening Mass, adoration may be held until midnight, but on Friday, there should be only silent adoration.

Good Friday

1. Good Friday is a day to meditate on the mystery of the Cross. It is a day of fasting and abstinence.
2. Where it is possible, morning prayers (Lauds) are to be held in the Church. (Booklets are available at Mangala Jyothi).
3. Since the Way of the Cross is helpful to meditate on the Cross, it may be held in the morning or in the forenoon. **But not in the afternoon attached to the liturgical service.**
4. The liturgy of Good Friday may begin at 3.00 p.m. or thereafter. It is ideal, as in the Missal, to have One Cross and prolong the meditation of the Cross with suitable chants as people adore it individually. Since there is no Way of the Cross in the afternoon attached to the ceremony, there should not be time constraint.

Holy Saturday

1. It is a day to wait on the resurrection in silence.
2. Morning prayer may be held in the Church

Easter Vigil

1. The vigil is to be held after dusk so that the rite of light may be effective. The faithful may be instructed on Good Friday itself on the significance of the rite of light and the procession to the Church in the light of the Paschal candle for proper participation.
2. A few places candles are not used on Easter vigil fearing wax on the ground. This makes the Easter liturgy dull. Therefore, faithful may be instructed to handle the candle.
3. The rendering of the Readings and Psalms require more care for the effective liturgy of the Word.

4. Since there are no baptisms celebrated in our diocese on Easter Vigils, there is only renewal of baptismal vows that require the blessing of water. Therefore, singing of the litany of the saints is absurd since it is meant for the actual celebration of baptism. Therefore, it is not to be sung/said (Litany is used only for the celebration of the sacraments and not for the renewal of the baptismal or any other vows).
5. At the dismissal rite, after the usual formula, Alleluia is sung, within the Easter Octave, not thereafter.

Easter Sunday

1. At the morning Mass, the holy water blessed at the Vigil Mass is to be sprinkled on the people during the penitential rite (see The Missal).
2. The sequence, after the Second Reading, is to be sung.

Pastoral Note

If a funeral to be held from Holy Thursday to the Holy Saturday, it is to be celebrated without the Mass. There should not be any singing or use of musical instruments or band. Usual singing should be done in a recital tone (*recto tono*). Bells should not be tolled from the oration (Let us pray.....) till the Gloria of Holy Saturday.

FOR YOUR INFORMATION

Your PAN card could be invalid without Aadhaar by December 2017. The Lok Sabha passed the Finance Bill after finance minister Arun Jaitley justified making Aadhaar mandatory for tax returns.

Permanent Account Numbers (PAN) not linked to Aadhaar cards will likely become invalid after December 31, as the Centre pushes to widen the use of the 12 digit biometric identity project.

Currently, all taxpayers need to have a PAN number to file income tax return but others, such as students outside the tax bracket also use the card as a proof of identity.

The government says many of these PAN cards are fraudulently obtained, a practice that can be checked by a unique identification number.

Over the past few years, the Centre has linked Aadhaar to a growing list of subsidies and schemes, such as the mid-day meal.

The Lok Sabha passed a controversial bill that made Aadhaar mandatory for filing income tax returns or applying for a PAN card.

According to the amendments in the finance bill, taxpayers can't file income tax returns from July 1 if they fail to quote the Aadhaar number or show proof of having applied for the document.

At present, there are 250 million PAN cards that are mandatory for cash transactions of hotel or travel bills exceeding Rs.50,000/- is also mandatory to quote the number for purchase of jewellery above Rs. 2 lakh either in cash or by plastic money, and while making large deposits in banks

But the government says many of those PAN cards are duplicates or obtained through fraud.

**ST JOSEPH ENGINEERING COLLEGE
VAMANJOOR, MANGALURU – 575 028**

In continuation of our earlier information on the Comed-K Entrance Examination 2017 published in Internos in the month of February 2017, please find the detailed Calendar of Events on our website – www.sjec.ac.in **OR** Comed-K website - www.comedk.org.

- Last date for online payments and last date for submission of completed application online will be by Thursday, 20th April 2017.
- COMEDK UGET & Uni-GAUGE E 2017 Engineering Entrance Exam 2017 will be on Sunday, 14th May 2017.

As you know St Joseph Engineering College offers top class education in Engineering. It also provides financial support to the catholic deserving students who fulfil the set requirements. Among them, performance in CET and COMED-K exam is important. We have observed that many of our catholic students think that only CET is sufficient and they do not require appearing COMEDK test. By such choices they have lost an opportunity in getting an admission to SJEC through COMED-K counselling and getting concession in the fees. During the last year 2016-17, we could hardly offer very few concessional seats to the meritorious students. Many students and their parents want our college but they do not take the pain of sending their son / daughter to COMED-K exam. At the admission time they want a Management seat with COMED – K or CET fees. Therefore, we request you kindly to encourage the students to appear this forthcoming entrance test for those students who are desirous of joining Engineering Course and avail this facility.

II INFORMATION FROM CODP-ISD TEST YOUR APTITUDE

Dear Rev. Fathers,

During our CAP trainings we have observed a common dilemma faced by students as to what stream they should opt for after passing the 10th exam. Likewise students of PUC face the dilemma as to which professional course to pursue. In order to enable the students to choose the right career, we have planned an “Aptitude Test”.

Based on serious founded research, ‘Test your Aptitude programme’ is designed to enable students to make better decisions about what they could do in future.

These tests are conducted by career consultants who charge between Rs. 5000/- to Rs. 6000/- per student. We conduct these basic tests for a nominal fee of Rs 300/ - per head. This **Aptitude Test** will be conducted by CODP-CAP Cell on **Wednesday 19th April 2017 (9.30 a.m.) at CODP.**

Kindly bring this to the attention of the students of your parish and **send us the names of interested students, latest by April 10th, 2017.**
