BISHOP'S MESSAGE FOR FEBRUARY 2017

The month of February is ever in memory lane because of an historical event of the visit of St John Paul II had taken place in our Diocese of Mangalore at Bajpe on 6 February 1986. We also celebrated the Silver Jubilee of his visit in 2011 and soon after his beatification and later on when he was declared a Saint. This great saint had alighted in our Diocese and blessed our Diocese and all the people over 5 lakhs who had gathered on 6 February 1986 to catch his glimpse. We have built a beautiful monument which we have declared as Diocesan Shrine on the place from where he addressed the people on 6 February 1986. We have been celebrating two days in his memory – the day of his canonization and the day of his arrival to Mangalore. This year too a grand celebration is going to take place on 6 February 2017 with a solemn mass at 10 a.m. and 5 p.m. I earnestly appeal you to attend any of the masses and honour the saint and obtain his blessings. The Parish Priest of Bajpe, Rev. Fr Leo Lobo will make preparations for the pilgrims. Let us pray that the saint may bless us all in a special manner as he has seen our land.

On 27 February 2017, St Zuze Vas Home for the Senior Priests will be inaugurated and blessed in the campus of St Antony Poor Homes, Jeppu. I cordially invite all the Rev. Fathers to concelebrate with me in the thanksgiving mass at 10 a.m.

The retired priests of our Diocese did not have a comfortable place to spend their retired life together in one place. The existing Vianney Home is too old and beyond repairs. All the same our Rev. Fathers lived in that Home all these years from 1886 without complaint. I wish to thank the Rev. Fathers who are staying there.

Our priests expressed their desire to have one house which could shelter all retired priests. That wish was reasonable. So we thought of building a Home where requirements for a

comfortable living be provided for our priests. This is done and the Home is ready for occupation.

Invitation for inauguration and blessing of St Zuze Vas Home is sent to all the priests of the Diocese. We expect all of you. I wish to express my sentiments of gratitude to all our Rev. Fathers for their financial support and I request you once again to support further, this project which costs us pretty high. Your generosity will certainly help us to furnish the house and procure necessary things needed. Your generosity certainly will bring down the burden of the Diocese. I thank God and Mother Mary, St Joseph and St Zuze Vas for their intercession for the completion of this project. This is our home and we love it and make the stay of the retired priests a comfortable and pleasant one. May St Zuze Vas who walked our streets bless us all.,

Lenten Campaign 2017 – In Aid of Poor Patients suffering from Serious Diseases

Dear Rev Fathers / Sisters,

I send you my best wishes for the new year. May it bring you plentitude of grace and joy in your life. We have a tradition in our Mangalore Diocese to make a collection during Lent. Each year it was for a genuine need that requires our attention. Thus so far we have been helping the poor to build houses, help the ailing patients, helping the education of the poor students, etc. We have helped Bidar and Same Missions also. This noble tradition must continue. Our people have been generous in responding to our request. For this year we feel the collection could be in aid of poor patients suffering from serious diseases like cancer, kidney and heart ailments. As you know these sicknesses are on the rise and so does the costs of treatment. It

is beyond the ability of poor people to treat their unfortunate family members. Many had to spend not only their savings, even had to sell the property and other valuables. Each story is pathetic and they finally resign to their fate. We need to reach out to these unfortunate brethren of ours. We have been helping many such patients from a fund started ten years back; that fund should be strengthened. So I request all the priests and sisters to encourage our people to support the cause by buying lucky dip coupons of Lenten campaign. I have asked CODP to prepare the coupons for this and they will reach them to you. Kindly note that this is a common cause of the diocese and a genuine need. You may have your programmes but they should not come in the way of this cause. Our lay people do not have any difficulty to understand. So please be broad-minded and generous in doing this work. You will not lack for your parish projects on account of this cause. “.....with all His abundant wealth through Christ Jesus, God will supply all your needs”. (Phil 4:19)

Therefore, while congratulating all those who have been generous, I also request all others to be exemplary in mobilizing help towards the poor.

I wish you a fruitful Lenten season followed by joyful Easter.

MESSAGE OF HIS HOLINESS POPE FRANCIS FOR THE TWENTY-FIFTH WORLD DAY OF THE SICK (11 FEBRUARY 2017)

Amazement at what God has accomplished:

“The Almighty has done great things for me...” (Lk 1:49)

Dear Brother and Sisters,

On 11 February next, the Twenty-fifth World Day of the Sick will be celebrated throughout the Church and in a special way at Lourdes. The theme of this year's celebration is *“Amazement at what God has accomplished: The Almighty has done great things for me...”* (Lk 1:49). Instituted by my predecessor Saint John Paul II in 1992, and first celebrated at Lourdes on 11 February 1993, this Day is an opportunity to reflect in particular on the needs of the sick and, more generally, of all those who suffer. It is also an occasion for those who generously assist the sick, beginning with family members, health workers and volunteers, to give thanks for their God-given vocation of accompanying our infirm brothers and sisters. This celebration likewise gives the Church renewed spiritual energy for carrying

out ever more fully that fundamental part of her mission which includes serving the poor, the infirm, the suffering, the outcast and the marginalized (cf. JOHN PAUL II, *Motu Proprio Dolentium Hominum*, 11 February 1985, 1). Surely, the moments of prayer, the Eucharistic liturgies and the celebration of the Anointing of the Sick, the sharing with the sick and the bioethical and theological-pastoral workshops to be held in Lourdes in those days will make new and significant contributions to that service.

Even now, I am spiritually present at the grotto of Massabielle, before the statue of the Immaculate Virgin, in whom *the Almighty has done great things* for the redemption of mankind. I express my closeness to all of you, our suffering brothers and sisters, and to your families, as well as my appreciation for all those in different roles of service and in healthcare institutions throughout the world who work with professionalism, responsibility and dedication for your care, treatment and daily well-being. I encourage all of you, the sick, the suffering, physicians, nurses, family members and volunteers, to see in Mary, *Health of the Infirm*, the sure sign of God's love for every human being and a model of surrender to his will. May you always find in faith, nourished by the Word and by the Sacraments, the strength needed to love God, even in the experience of illness.

Like Saint Bernadette, we stand beneath the watchful gaze of Mary. The humble maiden of Lourdes tells us that the Virgin, whom she called "the Lovely Lady", looked at her as one person looks at another. Those simple words describe the fulness of a relationship. Bernadette, poor, illiterate and ill, felt that Mary was looking at her as a person. The Lovely Lady spoke to her with great respect and without condescension. This reminds us that every person is, and always remains, a human being, and is to be treated as such. The sick and the those who are disabled, even severely, have their own inalienable dignity and mission in life. They never become simply objects. If at times they appear merely passive, in reality that is never the case.

After her visit to the Grotto, thanks to her prayer, Bernadette turned her frailty into support for others. Thanks to her love, she was able to enrich her neighbours and, above all, to offer her life for the salvation of humanity. The fact that the Lovely Lady asked her to pray for sinners reminds us that the infirm and the suffering desire not only to be healed, but also to live a truly Christian life, even to the point of offering it as

authentic missionay disciples of Christ. Mary gave Bernadette the vocation of serving the sick and called her to become a Sister of Charity, a mission that she carried out in so exemplary a way as to become a model for every healthcare worker. Let us ask Mary Immaculate for the grace always to relate to the sick as persons who certainly need assistance, at time even for the simplest of things, but who have a gift of their own to share with others.

The gaze of Mary, *Comfort of the Afflicted*, brightens the face of the Church in her daily commitment to the suffering and those in need. The precious fruits of this solicitude for the world of suffering and sickness are a reason for gratitude to the Lord Jesus, who out of obedience to the will of the Father became one of us, even enduring death on the cross for the redemption of humanity. The solidarity shown by Christ, the Son of God born of Mary, is the expression of God's merciful omnipotence, which is made manifest in our life - above all when that life is frail, pain-filled, humbled, marginalized and suffering - and fills it with the power of hope that can sustain us and enable us to up again.

The great wealth of humanity and faith must not be dissipated. Instead, it should inspire us to speak openly of our human weaknesses and to address the challenges of present-day healthcare and technology. On this World Day of the Sick, may we find new incentive to work for the growth of a culture of respect of life, health and the environment. May this Day also inspire renewed efforts to defend the integrity and dignity of persons, not least through a correct approach to bioethical issues, the protection of the vulnerable and the protection of the environment.

On the Twenty-fifth World Day of the Sick, I once more offer my prayerful support and encouragement to physicians, nurses, volunteers and all those consecrated men and women committed to serving the sick and those in need. I also embrace the ecclesial and civil institutions working to this end, and the families who take loving care of their sick. I pray that all may be ever joyous signs of the presence of God's love and imitate the luminous testimony of so many friends of God, including Saint John of God and Saint Camillus de'Lellis, the patrons of hospitals and healthcare workers, and Saint Mother Teresa of Calcutta, missionary of God's love.

Dear brothers and sister - the sick, healthcare workers and volunteers - I ask you to join me inpraying to Mary. May her maternal intercession sustain and accompany our faith, and

obtain for us from Christ her son hope along our journey of healing and of health, a sense of fraternity and responsibility, a commitment to integral human development and the joy of feeling gratitude whenever God amazes us by his fidelity and his mercy.

Mary, our Mother,
in Christ you welcome each of us as a son or daughter
Sustain the trusting expectation of our hearts
succour us in our infirmities and sufferings,
and guide us to Christ, your Son and brother
Help us to entrust ourselves to the Father who accomplishes
great things.

With the assurance of a constant remembrance in my prayers, I cordially impart to all of you my Apostolic Blessing.

8 December 2016, Solemnity of the Immaculate Conception.

III. Announcements:

1. These days Konkani Bible dairies are available. We have noticed that many people have stopped reading the Bible and started using bible dairies. As a result the subscription for Jesuchi Suvatha also will decrease. Please inform your parishoners about the importance of Bible and motivate them to subscribe for JesuchiSuvatha and also remind the subscribers about renewal of subscriptions.
2. Catechism Day at the Diocesan level will be celebrated on **5th March 2017** at Mangala Jyothi.
3. All Parishes can have the Catechism Day on or before **26th February 2017**. Please refer **Mangala Jyothi bulletin December issue for other catechetical information & inform teachers**. Many teachers have complained that parish priests do not inform the content of Mangala Jyothi bulletin to them.
4. The Commissions for Bible and SCC have planned to organize Bible Week and Bible Sunday during Summer Holidays. The dates are : **17 to 22 April 2017 - Bible Week** (during this week every parish needs to organize Summer Camps for the children with the help of Seminarians). **23rd April 2017 - Bible Sunday** in the Diocese of Mangalore. The Programme details will be sent to you later.

ST JOSEPH ENGINEERING COLLEGE

Vamanjoor, Mangaluru – 575 028

The National Board of Accreditation, New Delhi has re-accredited provisionally the following Undergraduate Programmes of our College for three years from 01/07/2016 to 30/06/2019.

1. Computer Science and Engineering
2. Mechanical Engineering
3. Electronics & Communication Engineering
4. Electrical & Electronics Engineering

Accreditation is a process of quality assurance and improvement, whereby a programme in an approved Institution is critically assessed to verify that the Institution or the programme continues to meet, and exceed the norms and standards prescribed by AICTE from time to time.

Currently the assessment done by National Board of Accreditation (NBA) is based on the Outcome Based Education (OBE) system in tune with international standards set by the Washington Accord. The OBE is an educational theory that bases each part of an educational system around goals (outcomes). It is a 'Learner Centric' pedagogy, rather than Traditional 'Teacher Centric'. This model facilitate desired changes within the learners, by increasing knowledge, developing skills and/or positively influencing attitudes, values and judgment. In addition, the

accreditation is granted based on various other criteria such as academic support units, governance, institutional support, financial resources and continuous improvement.

The Washington Accord countries accept undergraduate engineering degrees that were obtained using OBE methods. The degrees obtained by students who pass out from institutions accredited under the Washington Accord will be recognized as equivalent to other degrees of member countries such as Australia, Canada, Japan, United Kingdom and United States. Such students will also be able to transfer additional credits earned in the qualifying degree to the higher degree which they might want to pursue in member countries.

At SJEC, the OBE system has been implemented since 2011. It has been fine-tuned and institutionalized through focused policy formation and training. The Expert Team of NBA which visited the college in October 2016 has lauded our efforts and encouraged us to go further in this direction. SJEC is proud to share this great achievement and mile stone of its journey and growth.
