**BISHOP'S MESSAGE FOR FEBRUARY 2019**

We have solemnly inaugurated the *Year of Youth* at the diocesan level on 6 January 2019 during the Annual Eucharistic Procession and at the parish level on 13 January. Psalm 127 says: "Like arrows in the hand of a warrior are the children of one's youth. Blessed is the man who fills his quiver with them! He shall not be put to shame when he speaks with his enemies in the gate". Young men and women are the children of the Mother Church that she acquired through Christ. It is now the task of every minister of Christ to accompany our young men and women on their life's journey. The representatives of the Youth Associations and the various committees of the Diocesan Pastoral Council have suggested a few programmes which could be conducted throughout the year in order to empower our young brethren. We shall publish the list soon in the Diocesan Weekly, *Raknno*. I warmly encourage the Priests, Religious and Lay Faithful to be deeply interested in the youth, seek them wholeheartedly, deal with them with fatherly and motherly tenderness and dedicate the time and energy for their well-being. Kindly spur them on to implement the programmes at the parish, deanery and diocesan level. I cordially invite the Parish Priests to encourage the youth to appoint a youth leader for every ward and thus get in touch with each and every one, and then appoint a main coordinator at the parish level.

One of the requests placed before me by the youth representatives is to make space for them during the Sunday Mass. The youth can conduct the liturgy of the First Sunday every month and the whole parish pray for their intentions. A list of intentions connected with the youth will also be published for the purpose. Our primary task is to become evangelizers and missionaries of Christ. To equip the youth for the purpose, they should be encouraged to buy a copy of the *You Cat* (Youth Catechism) which is already available in English and soon going to be published also in Konkani. Thus, they will have ready material to deepen their knowledge of faith and they will be well-equipped to make a defense to anyone who asks them for a reason for the hope that is in them and they would be able to do it with gentleness and respect (cf. 1 Pet 3: 15).

In this context, the youth should be inspired to organize an hour of adoration on Friday evening with thanks and praise, with hymns and chants. They can also use the Taizé prayer to have an encounter with Christ in Song and silent meditation. Holy Father Francis has asked us to pray every day, after the Rosary, the prayer to Mary, Mother of God, popularly known as *Sub tuum praesidium* (Under Your Protection): “We fly to thy protection, O holy Mother of God. Despise not our petitions in our necessities, but deliver us always from all dangers O glorious and blessed Virgin”. He has also invited us to pray to St Michael, who is captain of the heavenly hosts so that the Church be protected from the insidious attacks of the Evil one: “St Michael the Archangel, Defend us in battle. Be our defense against the wickedness and snares of the Devil. May God rebuke him, we humbly pray, and do thou, O Prince of the heavenly hosts, By the power of God, thrust into hell Satan, And all the evil spirits, who prowl about the world Seeking the ruin of souls. Amen”. These prayers are to be said in the families and in the parishes. The Evil one accuses the People of God day and night, and the Church is suffering in various parts of the world because of his tactics in escalating hatred, violence and division.

Unless we invite the youth to pray and adore the Lord with us by meditatively reading the Word of God, no activity can be really effective. God alone gives the fruit to our labour. Let us focus on creating a strong prayer network for humanity and the Church. Pope Francis is requesting us to pray intensely for his intentions, calling the Apostleship of Prayer, "Pope's Worldwide Prayer Network" (PWPN). This Apostleship of Prayer has a youth branch called "Eucharistic Youth Movement". The daily morning offering is part of that Apostolate of Prayer. There is a move whole over the world to make associations for the purpose. The Eucharistic Youth Movement is an international movement of Christian formation for children and young people. It allows members to participate in this dynamic of prayer and service, learning to live like Jesus. It promotes the devotion to the Sacred Heart of Jesus, and nourished specifically by the intentions proposed by the Holy Father. In 1986, St John Paul II entrusted the propagation of Spirituality of the Heart of Jesus to the Jesuits. We are called to nominate a diocesan director to promote the Pope's Worldwide Prayer Network.

I want to bring to your kind attention the task ahead of us in doing the survey of the whole diocese to evolve an integral Pastoral Plan. The survey tool is getting ready. Competent people from the Parish capable of getting trained to administer the survey questionnaire may be requested to join in this task to complete the survey and hand over the filled forms to the Bishop's House. A major portion of the tabulated data is essential to send the Quinquennial Report to the Holy See. I have requested the Nuncio to give me some more time to complete it as I took over the charge recently and he has consented to it. May God bless our diocese, and may Mother Mary and St Joseph intercede for us.

## FOR YOUR KIND ATTENTION

Pastoral ministry in a missionary way seeks to abandon the complacent attitude that says: 'We have always done it this way'. Pope Francis has invited "everyone to be bold and creative in this task of rethinking the goals, structures, style and methods of evangelization in their respective communities" (*Evangelii gaudium* 33).

In the light of Pope's instruction and the need for better pastoral planning and ministry, the Diocese of Mangalore will be conducting a **Socio-Economic and Pastoral Survey** in order to bring out a comprehensive Pastoral Plan. The data obtained from the survey will be useful not only for the diocese but also for the parish for effective ministry of proclaiming the gospel of joy. In addition, the survey will facilitate the compilation of data and report to be submitted to the Holy See.

The survey tool - the questionnaire – is almost complete, and the copies will be made ready by the end of February. However, motivation and training are necessary requisites for the proper conduct/administration of the survey. I have instructed the members of the Survey Committee to go to all deaneries to brief about the modality of data collection. All the priests are expected to attend the training sessions in their respective deaneries. The Survey Committee members have been assigned the following deaneries:

|                            |  |
|----------------------------|--|
| Rev. Alfred J. Pinto       | : Puttur and Mogarnad                      |
| Rev. Basil Vas             | : Belthangady and Bantwal                  |
| Rev. J.B. Saldanha         | : Mudipu and Kasargod                      |
| Rev. Joseph Martis         | : Episcopal and City                       |
| Rev. Maxim L. Noronha      | : Moodbidri                                |
| Rev. Victor George D'Souza | : Pezar, Suratkal (combined) and Kinnigoli |

Each Parish Priest may bring along with him 2 or 3 qualified/competent persons from their parish who can guide the parish survey team. The Deans are required to take an appointment with the resource persons assigned above to schedule a training

session on a day convenient for priests of the deanery and resource persons. **This meeting/training session should be held in the deaneries before March 20, 2019.** After this, each parish should organize and train its survey teams, and begin to administer the survey and collect data from every family. **The data collection should be completed by the end of May, 2019.** All the Priests are requested to involve in this socio-economic and pastoral enterprise, which is essential for Pastoral Planning and Ministry, both at the diocesan and parish level.

## **REFLECTIONS ON THE YEAR OF YOUTH 2019**

Our **Diocesan Pastoral Council** meeting on January 25, 2019 focused on the theme of the Year of Youth and briefly explored the Final document of the Synod of Bishops on Young People, Faith and Vocational Discernment held in October 3-28, 2018 consisting of 3 parts, 12 chapters, and 167 paragraphs. The document uses the account of the journey to Emmaus (Lk 24:13-35) as a paradigmatic text for understanding the Church's mission to younger generations. It is divided into three parts: (a) He walked with them; (b) Their eyes were opened; and (c) They set off without delay.

The Synod speaks of a listening Church: Listening is an encounter in freedom, which requires humility, patience, readiness to understand, and a commitment to formulate the answers in a new way. Listening is not just a gathering of information, nor is it a strategy for achieving a goal, but it is the manner in which God himself relates to his people. Young people want to be heard. Listening is a key element in the ministry of pastors. The burden of administrative duties absorbs the energy of many pastors in an excessive and sometimes suffocating way. To highlight the priority of pastoral and spiritual duties, the Synod Fathers insist

on the need to rethink the concrete ways in which the ministry is exercised.

In his homily during the Mass at the closing of the synod, Pope Francis said: “I would like to tell the young people, on behalf of us adults: forgive us if we have not often listened to you. If instead of opening your hearts, we have filled your ears.” He also said: “How many times, instead of giving this liberating message of salvation, do we carry ourselves, our ‘recipes,’ our ‘labels,’ in the Church? How many times, instead of making our words, the words of the Lord, we have passed our ideas through His word. How many times have people felt the pressure of our institutions more than the friendly presence of Jesus?”

A listening Church is just one of the many themes presented in the Final Document of the Synod of Bishops. You are encouraged to read the entire document, which is available on the internet. This issue of *Inter Nos* contains the text of the homily preached by Fr Leo Lasrado at the Diocesan Eucharistic Procession and Inauguration of the Year of Youth on January 6, 2019. It is included here as it relates to the Year of Youth, reflects the contemporary pastoral situation, and challenges us all to be the changes we want to see and God wants us to be.

## **YOUCAT – A WONDERFUL BOOK FOR YOUTH AND PARENTS**

YOUCAT is short for Youth Catechism of the Catholic Church, which was distributed in multiple languages on world youth day 2011 in Madrid, Spain. The English language edition and Konkani language edition are available at ATC Bangalore. This book is developed with the help of young Catholics and written for high school age people and young adults, YOUCAT is an accessible, contemporary expression of the Catholic Faith. The appealing graphic format includes Questions and Answers, highly readable commentary, summary definitions of key terms, Bible citations and inspiring and thought provoking quotes from Saints and others in the margins. What's more, YOUCAT is keyed to the Catechism of the Catholic Church, so people can go deeper. It explains:

- What Catholics believe and why (doctrine)
- How Catholics celebrate the mysteries of the faith (sacraments)
- How Catholics are to live (moral life)
- How they should pray (prayer and spirituality)

The questions are direct and honest, even at times tough; the answers straightforward, relevant, and compelling. YOUCAT offers four unique gifts that are life-giving to our youth: (a) it

educates, (b) it informs, (c) it demonstrates, and (d) it loves. These gifts await those who engage in its study. Much like all four chambers of the human heart are necessary and work together to renew, sustain, and nourish the body, the four gifts of YOUCAT refresh, sustain, and nourish the faith of our present and future Church.

**YOUCAT is now available in Konkani.** Parish Priests, youth animators, and all youth organizations must make every effort to obtain YOUCAT in sufficient numbers for their parish, so that every youth in the parish and every family has it in the Year of Youth for use in their family, meetings, and seminars. An honest and prayerful reading of YOUCAT is bound to transform a person for the better. **Place your orders for YOUCAT in Konkani made available at a subsidized rate** with Rev. Ronald D'Souza, Director ICYM or Rev. Vijay Machado, Director, Mangala Jyothi. Books will be available in the first week of March, 2019.

## ANNUAL ACCOUNTS

We have received good many instructions during the On-going Formation programme on how to maintain proper accounts. Keeping this in mind - as we are move towards the end of the financial year of 2018-19 - we request you to consider the following:

1. There should be two internal auditors from the parish assembly, who are not in the Parish Pastoral Council. They should go through the accounts and other things connected to annual returns of the year. Printed material is available in the Vicar General's office as regards their work. Their independent report should be enclosed while submitting the annual accounts to the Bishop.
2. Please prepare a budget together with the Finance Committee for the coming year 2019-20, by the end of March 2019; get it approved in the Finance Committee and then send it to the Bishop for approval, latest by April 15th. In view of better

clarity, the diocesan auditor has suggested the following format for Income and Expenditure separately:

| Items | Actuals<br>2017-18 | Budgetted for<br>2018-19 | Actuals of<br>2018-19 upto<br>Dec. 2018 | Budget for<br>2019-20 |
|-------|--------------------|--------------------------|---|-----------------------|
|-------|--------------------|--------------------------|---|-----------------------|

3. Please obtain TDS certificates from your banks for the TDS paid to the Government on the bank interest and submit the same to your Chartered Accountant for annual auditing in the month of April/May.
4. A few more guidelines will be intimated to you in the *Inter Nos* of March.
