BISHOP'S MESSAGE FOR JUNE 2016

We have begun the month of June dedicated to the Most Sacred Heart of Jesus. This solemnity is celebrated on 3 June. These days there is lot of enthusiasm and the re-awakening of the devotion to the Sacred Heart of Jesus. A number of churches and chapels in religious houses have a full day adoration to the Blessed Sacrament. On the following day, 4 June the feast of the Immaculate Heart of Blessed Virgin Mary will be celebrated. The first devotion began with the apparition of the Sacred Heart of Jesus to St Margaret Mary and the devotion to the Immaculate Heart of Mary was popularised after the apparition at Fatima to 3 children. I request the Parish Priests to explain to the people about these devotions.

Many of our parishioners have a special devotion to 9 first Fridays and 5 first Saturdays of the month. The school children are prepared by the school teachers for confession on Thursdays followed by a mass on Friday. Let us inculcate these devotions in the growing children, always giving a catechisis on the same.

As I always mentioned in the past, please take special care of the school and Sunday catechism. Please take books from DBCLC and take assistance from the Director who holds training to the catechism teachers. He will give priority to this amidst his ministry. Please ensure that all the catholic children do attend school upto Std. XII. Whatever financial assistance they need and desire should be made known to them to obtain all the Govt. subsidy and other assistance from the NGOs. Please enquire from them whether they have approached these agencies where assistance is available; I wish that the Parish community and the youth of the parish organise assistance to the children.

This year so far 15 boys have expressed their desire to join the Seminary. Twelve will be received to St Juze Vas Gladsom Home for their PUC education. Three will be joining St. Joseph Seminary. There may be some graduates and those who have completed PUC having a desire to become a Priest. Please encourage them to collect an admission form from the Rector, St Juze Vaz Gladsom Home. I thank our Parish Priests and the Religious who foster vocations to Priesthood and religious life. Let us thank God for vocations to our Diocese, to other missionary dioceses and religious orders and congregations. Let us always keep the children informed about the dedicated life. Though there are boys with much enthusiasm, we do not see it among girls. Our life and example should reflect the Gospel values while we follow Jesus in religious life. This phenomena is a indication to all of us to see our own life whether it is attracting young people to priesthood and religious life. Above all let us pray to the Master of the Vineyard to send more labourers into His Vineyard.

I sincerely thank all, for celebrating my Episcopal Ordination Day in the Cathedral on 15-5-2016. You have taken the trouble to participate in the mass and offer me your greetings and felicitations. I have prayed for you. I will be celebrating the feast day of my patron and 75th Birthday on 21-6-2016. I request you to attend the mass at the Cathedral and pray for me.

I wish the students a new and successful scholastic year. I pray that the parents not only take lot of interest in their academic studies but also both in the Faith and character. May God bless you. May the Most Sacred Heart of Jesus keep our families united in His love.

+ Aloysius Paul D'Souza
Bishop of Mangalore

St Joseph Vaz Home

The construction work of St Juze Vaz Home (for Retired Priests) is steadily progressing. A 'Mock Room' (bed room + drawing room) is getting ready by the 6th of June 2016 on the 1st floor of the building from the northern side.

GRATITUDE

The programme felicitating our Bishop on 15-5-2016 was indeed appreciated by one and all. Though a simple programme, was meaningful. There was a committee that planned the programme and the same was carried out. I thank all the Priests of the Cathedral and his Parishioners who have cooperated to the maximum.

There will be a similar programme on 21-6-2016 at the Cathedral. I once again request all our Rev. Fathers and Sisters to attend the programme in the Cathedral.

EXPO – OF SEMINARIANS

At the end of the year 2015-16, we had 37 Brothers studying in the Seminary in Philosophy and Theology. One is studying in Rome. Hence the total number is 38. Our 37 Brothers had holiday ministry in the month of April. Most of them spent one week in their parishes assisting the Parish Priests in the Holy Week. Thereafter they went for the exposure programme in 6 centres. Both the students and the institution heads were happy to experience the practical aspect of the pastoral ministry. They had 2 days get together and they visited the parishes and institutions in Bantwal Varado. They expressed that they experienced the hospitality and cordiality of the Parish Priests. On my behalf I thank all of you who had some share in the summer activities of the Brothers.

I thank the Bishop of Gulbarga to have given mission experience to our I Philosophy students. I thank the institutions to have taken care of the Brothers for 10 days in their institutions. Fr Onil D'Souza, Director, St Antony's had provided accommodation to our Brothers who underwent Malayalam language course and Gladson students a 3 days retreat. I thank the Director, Pastoral Institute for accommodating I & II year Theology students of every diocese in Karnataka for a Kannada & Culture course. I am happy to say that many of us have a share in the formation of our Brothers studying for Priesthood.

To,

All the Correspondents of the Schools/PUC under the Catholic Board of Education

The contents of the letter are not new to you; however this letter comes to you as a gentle reminder. At the conclusion of the Post Centenary Silver Jubilee of the Diocese, all the Catholic managements of Education Institutions had adopted a resolution which was later on mandated by our Bishop.

1. Every school/PU College shall admit Catholic and Christian students. This has been followed.
2. Children coming from poor economic background should be given scholarship and be advised to approach the government and NGO and CODP/Catholic Sabha/SVP/Youth association/Women wings to obtain financial assistance.
3. Since the Christian community is decreasing in number and consequently not having Christian students in our schools it was decided to give free education to the 3rd and the subsequent child in the family irrespective of their economic condition. This is applicable to students studying upto standard 12 in our Diocese.

So far maximum four parents complained to us that some schools did not give them freship (to the 3rd and subsequent child).

Though the above is the education policy of our Diocese is accepted by all of us. The new comers in the field of education might not have been informed or given attention to it. Hence every year we send this gentle reminder to all.

With regards,

- **Rev. Denis Prabhu**
Vicar General
