## **BISHOP'S MESSAGE FOR THE MONTH OF MARCH 2015**

We have already started the Holy Season of lent on Ash Wednesday. This season reminds us of our duty to review our Christian life and make it conformed to the life of Jesus Christ. Jesus started His public Ministry by fast and prayer. The spiritual strength that he gained due to His union with the Father enabled him to overcome the temptations. This should inspire us to spend these 40 days of lent fruitfully by fast, penance, prayer, alms giving, charity, meditating on the Gospels specially the passion, death and resurrection of Jesus. Let us keep up the practices of Way of the Cross, attending daily Mass, adoration, retreat, pilgrimages and service to our neighbour. This would be a fitting preparation for the celebration of Easter.

The spiritual committee of the Diocesan Pastoral Parishad had prepared to have a perpetual adoration with intercessory prayers in a Chapel convenient to the people. Accordingly I have offered the Kodialbail Chapel for such purpose. The adoration has been inaugurated on 18 February, Ash Wednesday. Ever since the adoration is taken place praying for the intentions of all; groups of people are attending the adoration continuously. The spiritual committee under the leadership of Fr Andrew D' Souza and Mr M.P. Noronha has done a lot of work in this regard. You may send your petitions and prayers to be placed before the Lord during the intercession. The committee has further plans to organise in a better way up to 24 hours. Please pray for this intention. When you or your parishioners happen to come to the city, visit the Chapel where adoration is taking place. You will get more details from the coordinator of Spiritual committee.

During this lent 2015, the CODP has organised a campaign for collecting money for the development works in Kasaragod deanery. There has been a campaign to obtain the OBC facilities to Latin Christians of Kasaragod Taluk. Though other Latin Christians of Kerala are getting the same, the Konkani Latins

have been deprived of it. Lot of efforts have gone in for past years. We need finances to back up our work for various surveys etc. There is also an urgent need to assist the parishes who started English Medium Schools. In the initial stages they need financial support to run the schools. In Initial stages it will be a deficit project. If we all support it, this is a blessing to our people in Kasaragod taluk for education. Kindly support the campaign for lent 2015.

The month of March is dedicated to St Joseph, Patron of our Diocese. Let us have special devotion to him. He being the patron of the head of the family, we need to pray to him to protect our families and make them like the Holy family of Nazareth. May St Joseph bless us all.

On 26 March 2015, the blessing of oils and Mass of the Chrism will take place at Rosario Cathedral, Mangalore at 5 p.m. On that day in the morning hours all the Priests will have a pastoral consultation in Pastoral Institute, Bajjodi from 9.30 a.m. to 1 p.m.. At 3.30 p.m. the adoration will take place in th Rosario Cathedral with a talk and confessions. All the priests in the Diocese are expected to participate in the consultation, recollection and Mass of the Chrism. In the morning hours pastoral problems will be addressed to. All the Rev. Fathers are either deanery wise or individually could send the pastoral issues if any to the Secretary of the Priest Council.

The forth coming Synod in Rome has called for the opinions on family life from all over the church. Rev. Fr Santhosh Rodrigues will send a questionnaire which will have to be answered and sent to him as per the schedule.2

The Government has planned to conduct a census in which all castes and faiths will be enumerated. In this regard details will be supplied to you by the Director, CODP. Please cooperate in these 2 important exercises. As regards the census you will have to guide the people how to answer the queries.

I will be going to *Same* on 11 and return on 24 March. Our high school will be inaugurated during that time. I request

you to pray for the mission and also be generous towards the missions; many of you have been already. Those who are yet to contribute towards the mission project are earnestly recommended to do so.

While thanking you for your wholehearted cooperation in the Diocese Pastoral works I promise my prayers for you and invoke God's blessings upon you.

## **FIFTH BIRTH CENTENARY OF ST THERESA OF AVILA**

We all are well aware that inspired by the Holy Spirit, Our Holy Father Pope Francis has embarked on a programme of spiritual renewal of the Church so that the church might truly be the true image of Jesus Christ the light of the Nations as intended by the II Vatican council. He is motivating and animating the diocesan clergy by overhauling various sectors of the life of the church. He is deeply concerned with the spiritual life of the laity by his focus on the unity and vitality of the family in the faith and moral formation of youth through the next synod. Above all he realizes that the most urgent aspect of the reform is the need of rejuvenation of the Consecrated Life that is the sign and vehicle of the spiritual vitality of the church. Without the consecrated life the church is poor indeed. Hence he has declared this year as the year of the consecrated life.

This year coincides, providentially, with the 5 birth centenary of the great Spanish Mystic, teacher of the art of loving God in prayer and doctor of spiritual life, St Teresa of Avila. She was born on 28 of March 1515 and joined the cloistered Carmel in her youth. In her days, she rose up as a great reformer of the church in Spain by reforming her own life and that of the Carmelite Friars and Cloistered nuns.

St Teresa of Avila was a saint with a deep sense of interior freedom and profound love for the church, to be able to die with the words saying, "I die a daughter of the Church". She offered the church a spirituality that is truly ennobling and joy bringing, far from the usual mechanical and sad projections of spiritual life. In her Book of Life ch. 8 she defines mental prayer as the profound yet personal and frequent awareness of the bond of affection between God and human being as if they were long time friends who have the undeniable experience of being loved by God. It means that prayer is not speaking too much, but attentively listening to what God has to say and consulting him frequently as if with a friend and joyfully fulfilling what the Lord

wants. This way she summarizes truly Jesus teaching on prayer, where Jesus invites people to shun every pharisaic and theatrics of prayer and spiritual practices on the one hand and on the other to refrain from ways that seem to compel God to act by long and noisy prayers (cf. Mt 6). Jesus invites us to close the door of disturbance and what is not God and remain alert and vigilant of the loving presence of Him, in contemplative silence and mystical wonderment.

Events, such as the fifth birth centenary of St Teresa, are graces for us all to deepen our spiritual life taking the powerful message and heroic example of the life of this Saint. In these times of spiritual dryness we are losing sight of the basic calling - every human being has to be open to God in prayer to find meaning of this life. I invite one and all to read her books which are all-time spiritual classics and give greater importance to personal prayer in each one's life.

The Carmelite Family in our diocese that includes the Apostolic Carmel (AC) sisters and the CSST sisters along with the Carmelite friars (OCD) and Cloistered Carmel Sisters, intend to celebrate the Centenary with due solemnity on 15 of March at the Infant Jesus shrine, Carmel Hill, Bikarnakatte, Mangalore.
