BISHOP'S MESSAGE FOR OCTOBER 2015

The month of October is dedicated to Our Lady of the Most Holy Rosary. This month reminds us of our devotion to family Rosary. The devotion to the Rosary has been dear to us. This devotion had been entrusted to our forefathers when they accepted Christian religion. The Dominican missionaries were one of the pioneers religious to Goa. When Goa was conquered by the Portuguese the Dominicans the great devotees of Our Lady of the Most Holy Rosary propagated the devotion of the family Rosary. When Europe was getting succumbed to heretics and Muslims, St Dominic had recourse to Mother Mary through the devotion of Rosary. He attributed the victory at Lepanto on 7 October 1571 to Our Lady of Rosary. Though there was a feast, the same was extended to the universal Church by Pope Clement XI in the year 1716. Our families were so much devoted to the family Rosary that they considered as an obligation to recite Rosary in the family and sing hymns of Mother Mary after the family Rosary. Since the meditation for each day in a book form was available in Konkani, every day a meditation was read both in the church and in the families. The Rosary devotion reminds us of our redemption by Our Lord. According to St John Paul II while reciting the Rosary we contemplate the face of Jesus with Mother Mary. We pray to Mother Mary to intercede for us now and at the hour of our death. The Church has granted plenary indulgence to the faithful reciting five decades of the Rosary in Church, as a family at home, as a religious community or as a pious fraternity or in general wherever several persons have gathered together for a good purpose and in other circumstances a partial indulgence. The Pastors are requested to explain to the faithful the importance of Rosary and its nature.

Our families are united in prayer only. We may come home to eat and drink and rest. But the prayer unites all members of the family sitting together before the altar and recite the decades of Rosary. In some families, this devotion is slowly vanishing. If this family devotion disappears what else would bind us together? It is our duty and responsibility as Pastors to insist on faithful to

recite daily family Rosary. This should be part of the family in its daily routine. This year we have to pray specially for the Synod which is going to take place in Rome from 4 - 25 October 2015. The Synod seems to be of greater importance. It is on family. The family is the heart of the human society. We are fully aware of the situation of the family today. The Holy Father is expected to give a direction to the universal church and world at large to safeguard the sanctity of the family. Let us earnestly pray for the success of the Synod. There are some rumours how some militant groups are fighting against the mission of Our Pope. Let us pray for our Pope. Let us recite in our clergy and religious houses and in families the daily Rosary and offer it for the intentions of our Pope. I exhort everyone to recite more Rosaries and pray for the families in the world.

Our Cathedral is dedicated to Our Lady of the Most Holy Rosary. October 7, is the feast. Let us remember the Mother church and pray for the intentions of the entire Diocese.

November 1 is on Sunday. This is the solemnity of all Saints. In the evening, at Vespers we begin to pray for the Souls in purgatory. On 2 November the liturgy is of all souls, as found in the Ordo. Please read the instructions given in the Ordo page No.148. The Priests are permitted to celebrate 3 masses – only one stipend is drawn. Please encourage the faithful to offer Mass intentions for the departed souls of the family and souls in purgatory. The intentions thus received may please be sent to the Procurator of the Diocese. They are offered either in the Diocese by our priests or other Dioceses in need. The 18 October is the mission Sunday. When our Churches and institutions in need are receiving assistance from the Holy See, it is our responsibility to contribute for the missions and help the missions of the Church. Please remind the people to make sacrifices and offer prayers for the missions. Let us pray to our Mother Mary to bless all of us and specially our family. I thank every one of you who are making efforts to help the mission work undertaken in Africa, Same Diocese. May God bless you.

**Pope Francis provided this prayer for the
Synod of Bishops on the Family in his
Angelus address on the Feast of the Holy Family...**

(Dec. 29, 2013):

Jesus, Mary and Joseph,
in you we contemplate
the splendor of true love,
to you we turn with trust.

Holy Family of Nazareth,
grant that our families too
may be places of communion and prayer,
authentic schools of the Gospel

and small domestic Churches.

Holy Family of Nazareth,
may families never again
experience violence, rejection and division:

may all who have been hurt or scandalized
find ready comfort and healing.

Holy Family of Nazareth,
may the approaching Synod of Bishops

make us once more mindful
of the sacredness and inviolability of the family,
and its beauty in God's plan.

Jesus, Mary and Joseph,
graciously hear our prayer.

Key Pieces of Reform

The key components of the reform are:

- A single sentence in cases of nullity, meaning that there will no longer be a potentially lengthy automatic second judgment for all annulment cases, in order for the parties to be admitted to new canonically valid marriages. Rather, the moral certainty reached by the first judge according to law should be deemed sufficient.
- A single judge may be appointed, under the responsibility of the bishop. The judge is to be a cleric and is to be reminded that in the pastoral exercise of his proper judicial authority shall guarantee that there be no laxity.
- The bishops of both large and small dioceses should not leave the judicial function in matrimonial matters exclusively to delegated officials but should serve as judges, especially in cases where there is clear evidence of nullity.
- The legal process should be streamlined and made more agile, beyond the so-called traditional documentary process (marriage cases that can prove that the previous union was not valid and that are usually handled without the need for extensive testimony from witnesses). Aware of the risks an abbreviated process of judgment might pose to the principle of the indissolubility of marriage, Francis declares that, “in such cases the bishop himself shall be constituted judge, who, by force of his pastoral office is with Peter the greatest guarantor of Catholic unity in faith and in discipline.”
- Appeal to the Metropolitan See should be permitted, meaning an appeal to the head of the local ecclesiastical province, “as a distinctive sign of the synodality of the Church.”
- The bishops’ conferences around the globe should assist in the practical implementation of the reform while respecting “absolutely

the right of the bishops to organize judicial power each within his own particular Church.”

- Appeal to the Tribunal of the Roman Rota will be preserved to “respect of a most ancient juridical principle.”

In other significant reforms, Francis mandates what many dioceses are already doing: making annulment procedures free of charge. He also calls on bishops to give pastoral care to separated Catholics considering divorce and/or annulment.
