BISHOP'S MESSAGE FOR OCTOBER 2016

This month is dedicated to Our Lady of the Rosary. The Rosary prayer is dear to all the children of Mother Mary. This prayer is considered a family prayer, wherein all the members of the family are gathered together for the recitation of the rosary. Those who recite the 5 decades of Rosary in the church, as a family at home, as a religious community, or as a pious fraternity, or in general whenever several persons have gathered together for a good purpose, a plenary indulgence is granted; in other circumstances a partial indulgence. The rosary should be recommended to the faithful and its nature and importance explained. St Teresa of Kolkata, such a busy person always at the service of the sick and abandoned would fix a rosary to her clothes so that she could recite several rosaries throughout her work and travel. This has been in the life of saints and our recent Popes. Let us then begin this in our life and in the rectory and community where we live. Our Cathedral is dedicated to our Lady of the Rosary. Hence we have every reason to foster and promote this family rosary in our parishes. On 1 October we celebrate the feast of St Teresa of Child Jesus, the patroness of the missions. On 16 October we celebrate the Mission Sunday. Parish Priests are requested to exhort the faithful to support the missions of the church by voluntary contributions. Our diocese always had a high rank in collection for the Mission Sunday so far. Let us keep up.

The 20 November is the day of the closing of the Special Jubilee Year of Mercy. We are holding a closing programme on 19 and 20 November. The programme will be held at the Rosario Cathedral grounds. Please announce this during masses on Sundays so that people keep those days free to attend the programme at the Cathedral. The time is from 4 to 7.30 p.m.

On 1 November, is the solemnity of All Saints. From noon onwards, the remembrance of the souls in purgatory begins. In many parishes, the tolling of the bells is done reminding the faithful to pray for the souls in purgatory. From 2 November the commemoration of all the souls of the faithful departed is held. A plenary indulgence, applicable only to the souls in purgatory is granted to any of the faithful who 1) on one of the days from 1 to 8 November visit devoutly a cemetery or who simply pray mentally for the dead 2) on all souls day, visit the church or chapel with devotion and then recite the Our Father and the Creed. All priests are permitted to celebrate 3 masses on 2 November provided these take place at different times. The stipend is accepted for one mass only. The second mass is for all the faithful departed and the 3 for the intention of the Supreme Pontiff. Please exhort the faithful to offer masses for the departed souls of their families. The intentions thus collected may be forwarded to the Procurator of the Diocese to send them to the needy priests and the dioceses.

I thank all of you for your prayers for me during my journey abroad. I met the Holy Father and offered greetings and prayers to him. He has blessed all of you. I have visited the Shrines of Lourdes and Fatima. Lot of preparations are made in Fatima and pilgrims do come in big numbers to pray at the Shrine of Fatima, since this is Centenary year of the apparitions. May the Queen & Mother of Rosary bless all of you and our Diocese.

Bishop of Mangalore

**CONCLUDING PROGRAMME OF THE JUBILEE OF MERCY
OF THE DIOCESE OF MANGALORE**

The Diocese of Mangalore will organise a closing ceremony holding a programme on 19 & 20 November. There will be preaching and praise & worship on Saturday evening from 4 p.m. to 7.30 p.m. On 20th our Bishop will conclude the Jubilee of Mercy with the celebration of solemn concelebrated mass. Please organise your parishioners to attend this programme on 19 & 20 November. The programme is coordinated by the Diocesan Charismatic Service team headed by Rev. Fr Andrew D'Souza. The Parish Priests are requested to make announcements on Sundays. The programme will be held in Rosario Cathedral grounds.

– Vicar General

**Amendments to the Pastoral Constitution
(Proposed)**

Only 4 amendments are proposed. They are the following:

1. The members of Parish Pastoral Parishad should have only 2 terms (6 years)
2. The members of the PPP can be elected continuously for 2 terms. Immediately they are not permitted for the 3rd term.
3. Two internal auditors (parishioners) should be appointed who are not the members of the PPP to go through the accounts independently and offer their observations to the finance committee.
4. There should be a relaxation on academic qualification for office bearers – now they should have passed Std X.

Please Note: You may offer your observation on the above by 15 October. In the November issue of Internos, the Bishop will give a Decree to the Diocese to constitute new Parish Councils w.e.f. 1-1-2017. Meanwhile the election procedure should begin from November 2016 as there will be many activities in the parishes leading to Christmas.

Dear Rev. Fathers,

This letter has a reference to my circular to the faithful published in the Raknno of September 16-22. In the beginning of the month of September a few English and Kannada dailies published some photos and news which misled the faithful that some Priests and religious Sisters had gone for a Hindu festival and participated in the worship. I had convened a meeting of Rev. Consultors with the Priests and Sisters who participated in the festival. Our Fathers and Sisters were invited for the social function. They honoured the invitation to be present for it. The photographs taken by the media which perhaps misled the public. Rev. Fathers (participants in the function) said they did not participate in the worship but the photos were taken in the background of a picture of deity.

All those who were present for the function emphatically said that they cannot participate in the sacred rites of the other religions. Though our neighbours from different religions invite us for festivals, we should get the advice of our superiors who would guide us in this matter. It is true that many of our non Christian brethren attend our religious functions; we also will be invited to their religious functions. Our participation even in social functions which are many times socio religious ones, we cannot afford to mislead our faithful. The Holy mass, Sacraments and Sacred rituals are only for Catholics and not for people of other faiths. Therefore we should not invite others for such Sacred Rites. These points were made clear to the Priests and Sisters who attended the festivals and they firmly responded that neither they intended nor participated in any religious rites. The media has projected in such a way that had misled our faithful in this regard. Hence we admonish that care should be taken to avoid misunderstanding, misinterpretation, misrepresentation and scandal.

Subject: CAP India – TO PREPARE TOMORROW’S LEADERS TODAY

CBCI Plenary Assembly 2016 declared: “Recognizing that India is predominantly young, so is the Church in India, there is an urgent need to prepare tomorrow’s leaders today”. The Bishops of India mandated to promote “young talents for leadership roles in the Church and society, particularly in political life and civil service”. In response to the call, the CBCI Youth Council has launched CAREER ADVANCEMENT PROGRAMME (CAP India). It is aimed at empowering youth with clear vision, mission, values and commitment:

- To enter into leadership positions in the Church and society
- To enter into the state and central civil services
- To be professionals in medicine, engineering, management and media
- To become entrepreneurs and company owners
- To be priests and religious in the Church

CAP India is a programme in two stages. The stage one is a 9-graded programme from Std. 7 to graduate degree. The second stage is coaching for civil services and other leadership roles. The ON-LINE programme is already available at: www.capindia.co and is run from its office at NBCLC, Bangalore.

The CBCI Standing Committee has enthusiastically endorsed the programme and urged all Catholic institutions to encourage Christian students to enrol themselves and benefit from the programme.

We urge all eligible Catholic youth/students to benefit from the useful programme. Also, we request all parish priests, managers and heads of Catholic schools and colleges to urge Catholic students from Std. 7 to Degree/Diploma to register early and enthusiastically promote it. Together we will achieve!
