## BISHOP'S MESSAGE FOR SEPTEMBER 2015

We are in the Novena of the Feast of the Nativity of Blessed Virgin Mary. Let us encourage children as well as elders to attend the Novena during which children will offer flowers to Infant Mary. Being a family feast let us insist upon the family reunion on that day. Individual families should have their meal together in the family itself and they remember all the members of their family those who are present for the meal or elsewhere and have a prayer for them. They also remember their departed members of the family and pray for them eternal rest. During this family reunion the members of the family are able to sink their differences if any and forgive each other if the relationship is estranged. We should encourage such a practice. This year, the Synod has taken up the '**family**' and given the occasion we must insist upon such traditions and cultures wherein family bonds are strengthened and love and respect among the members of the family is fostered and promoted.

The 8 September is also the day of "girl child". In our catechisms and instructions to various associations and people we should give the importance of female child. When there is anti climax to this thinking we should insist upon the role of a female child in the family and in the community at large. We should vehemently fight against the destruction of the foetus of female child.

On 14 & 15 September we will celebrate the feast of the Exaltation of the Holy Cross and of Our Lady of Dolores. These days are ever to be remembered by all of us. On these days in 2008, the enemies of the Cross of Christ had desecrated the Holy Cross and our churches. Our Christian brethren suffered under then Govt. of Karnataka and the ruthless behaviour of the Police. We salute our youth and all the persons who suffered corporal punishment, imprisonment and tortures. Our Christian community had worked for the development of this district as elsewhere. The persons who had received good things from this community had stabbed us at the back. Though we had suffered terribly we with the strength of the Holy Cross are able to forgive the evil doers.

In preparation of the feast of Our Lady of Dolores we will begin the Salve devotion. I wish every parish conducts this devotion.

We gratefully remember our departed Bishop Basil S. D'Souza on 5-9-1996. May his soul rest in peace. In the following year on the same day Blessed Mother Theresa also passed away. Let us pray to her that she may intercede for our Diocese. She had visited our Diocese a few times.

I wish all of you a happy feast of the Nativity of Our heavenly Mother and I invoke her intercession on very family. Let this feast foster our devotion to Mother Mary.

## **Charismatic Movement and lay Preachers**

During the ongoing formation held in August 2015, the discussion took place on the above subject. After a lengthy discussion, the house was informed that there are no lay preachers in our Diocese mandated by the Bishop of Mangalore. Whenever a Parish Priest intends to get a lay preacher for retreats or missions, he must ask for the testimonial of the Bishop of Mangalore. Whereas there are some lay leaders who are trained by the Charismatic Unit of our Diocese could assist the Parish Units only for meetings and Praise & Worship sessions. To know for certain, you are requested to contact Fr Andrew D'Souza of Bondel Parish. If they indulge in preaching you must make him/her known that one needs permission from the Bishop of Mangalore. This holds good also to religious houses in our Diocese. The Priests strongly reacted to arrangements made in the centres to get lay preachers from outside the Diocese who were not presented to the Bishop. The Bishop clearly said that he has not permitted any lay faithful to preach in the Diocese of Mangalore. If anyone preaches he should have a mandate. The Bishop told the Priests that we are obliged to provide Charismatic prayer service to our faithful in the Diocese

## **Jubilee Year of Redemptorists**

Redemptorist Fathers are celebrating this year from 27 June 2015 to 27 June 2016 as Jubilee Year of Our Mother of Perpetual Help. It was Blessed Pope Pius IX, who on 11 December 1865 handed over the Icon of our Mother of Perpetual Help to the Redemptorists. Since that time the Miraculous Icon has been venerated in the Redemptorist Church of St Alphonsus in Rome.

To commemorate 150 years Jubilee, the Apostolic Penitentiary under the mandate of Pope Francis has granted the Jubilee year with the associated indulgences, under the usual conditions, (Sacramental confession, Eucharistic communion and prayers for the intentions of the Holy Father). It can be gained

in the Church of St Alphonsus, Rome and in all the individual Churches of the Redemptorists all over the world by the Christian faithful.

In our Diocese, the faithful can avail of the plenary indulgence in St Francis Xavier Church, Saverapura (Murkoth Palke) under the pastoral care of the Redemptorists. In this Church novena of Our Lady of Perpetual Help is held every Sunday. It can be also obtained in the Chapel of the Redemptorist Fathers at Nithyadar Nivas, Alangar.

I request Rev. Parish Priests to make an announcement on Sundays regarding the Jubilee Year and availing of the plenary indulgence at above places and encourage the faithful.

## **PRESS RELEASE**

I am relieved and thankful to hear that after almost seven years, the NHRC in its order dated August 20th 2015, has meted out justice to 12 victims of police excesses during the spate of attacks on Churches in the Dakshina Kannada district in 2008.

The NHRC's statement "It is not in dispute that the religious places of Christians were attacked by fundamentalists. It was natural for the followers of Christianity to feel agitated. It is their fundamental right to protest against desecration of their religious places. Even if it became necessary for the police to use the force to disperse the agitating mob, it should have used such force with utmost restraint. The NHRC enquiry team establishes that the police used excessive force" gives us a sigh of relief.

With the NHRC has ordering a compensation of Rs.15,000 for the 12 victims, we are further convinced that the Jury acknowledges that we have suffered violence and injustice. Though the hurt caused to the peaceful Christian community cannot be quantified I am happy that the NHRC pronounced that our Constitutional Right to worship was threatened.

While I recall having thanked the State government at a State media conference on October 24, 2014 for rejecting the "one-sided and biased" report of the B.K. Somashekara judicial inquiry commission report, I still feel that the police personnel who indulged in "excesses" as found by the NHRC, must be strictly penalized not just in the interest of the Christian community, but to send a signal to the police force to be sensitive to the sentiments of people of all religions.

Being a multi-cultural and multi-religious country, I hope and pray that peace and harmony will prevail over religious fundamentalism. The police have an important role to play. Those instigating or subtly inducing violence and hatred between religious groups need to be dealt with heavily.

I reiterate my appeal to the honorable Jury of the NHRC to bring the culpable police personnel and those indirectly involved in the "excesses" in Dakshina Kannada to bring them to further scrutiny and penalty. Stringent action against these police personnel will prevent ensure greater caution and provide for an atmosphere of peace.

## World Day of Prayer for the Care of Creation

Your Eminence/Your Excellency,

It is my pleasure to share with you and your local Church that Pope Francis has instituted the *World Day of Prayer for the Care of Creation* to be celebrated each year on 1 September.

In establishing this day, the Holy Father has accepted the suggestion made by Metropolitan John of Pergamum, Representative of Ecumenical Patriarch Bartholomew, who took part in the presentation of the Encyclical *Laudato si'* in the Vatican on 18 of June 2015. On that occasion, Metropolitan John asked whether the 1 September, the day celebrated by the Orthodox to pray for the environment, could not become a day for all Christians to pray for the same intention.

In his letter dated 6 August and made public 10 August, Pope Francis asked me as President of the Pontifical Council for Justice and Peace and His Eminence Cardinal Kurt Koch, President of the Pontifical Council for Christian Unity, to communicate his new initiative. The Holy Father emphasizes that Christians are “called to an “ecological conversion whereby the effects of their encounter with Jesus Christ become evident in their relationship with the world around them” (*Laudato si'* 217). In fact, “living our vocation to be protectors of God’s handiwork is essential to a life of virtue; it is not an optional or a secondary aspect of our Christian experience” (*ibid.*)

The reminder of the vocation to be stewards of creation should reach all faithful Catholics as well as men and women of goodwill. Accordingly, Pope Francis asked me to inform “the Justice and Peace Commissions of the Bishops’ Conferences, as well as the national and international organizations involved in environmental issues” of this initiative.

Therefore, Your Eminence/Your Excellency, I ask you duly to inform the National Commissions of Justice and Peace or other corresponding bodies, the office within the local church that is dedicated specifically to ecological issues, and any other civil organizations you think should be informed of the establishment of the World Day of Prayer for the Care of Creation.

For 2016 “suitable ways of promoting and celebrating the Day” are being considered, “so that this annual event will become a significant occasion for prayer, reflection, conversion and the adoption of appropriate lifestyles”. At this time I would like to

draw your attention to a webpage (www.laudatosi.va) on the site of the Pontifical Council for Justice and Peace dedicated exclusively to *Laudato si'*. It includes articles and aids which will be helpful for understanding the Holy Father's Encyclical and also for promoting the World Day of Prayer for the Care of Creation.

With gratitude for the response and cooperation of your Episcopal Conference, I gladly take the opportunity to renew my prayerful wishes and sentiments of great esteem.

19 August 2015

*Sincerely yours in Christ*
