THANK YOU

Dear Rev. Fathers and Sisters,

As I lay down my office as the Bishop of the Diocese of Mangalore which I served for twenty two years, I have only one feeling in me that of gratitude. The two words “Thank you” is too weak to express what I have treasured in my heart.

I knew my limitations, my smallness, my weaknesses but God, a loving Father overlooked all those shortcomings in me and picked me up with love and entrusted to me the great responsibility of looking after His people especially the task of Shepherding them in His name. Like prophet Jeremiah “I cried to him that I am not able and not to consider me”. But I heard him say, “I am with you”. Whatever was lacking in me, He made up giving one the right persons to help in the administration. so I was able to complete the mission. How I have accomplished you know and will bear witness and judge me.

I have come to thank you, dear Fathers in the ministry and Sisters. You were my support, you were my strength, what I have achieved, no not alone but we have achieved together; I could not have done so called great things, single handed; therefore I cannot take the credit for myself. Let us together be grateful to God Almighty for His grace and thank Him.

I had two things in my mind, when I took up the mission in the Diocese that I trust the Priests and respect their freedom and I would live my motto-”With the compassion of Jesus Christ”. I did not regret for it. The Priests were with me as a tower of strength and God was with me and he made all the good things to happen.

Dear Fathers and Sisters, remember that the Lord has called us, He has trusted us therefore has entrusted his people to us to lead them in the path of salvation. Be conscious of your mission and fulfill it with love. Thank you and may God bless you. Pray for me. I will pray for you.

Bishop Meets: 6 - People

MESSAGE FOR SEPTEMBER

We have a new Bishop in the person of Msgr Peter Paul Saldanha who will be ordained Bishop on 15 September 2018. It is an event in the life of the Church of Mangalore besides being the historical event in the life of the Diocese. He is the 14th Bishop to this diocese. The erstwhile all Bishops went to eternal reward in harness; whereas God blessed me to retire 2 years after superannuation. In one word I express my deepest gratitude from my heart to everyone in this diocese and all people of goodwill. I request you and pray God for your full cooperation to the new Bishop in the pastoral ministry in our Diocese. May he have the fullest cooperation from the clergy, religious and laity. Let us pray for him.

As we have started the Novena of the Nativity of Infant Mary, this feast has several connotations and it attracts all children and their parents. Nine days and feast day we venerate Infant Mary. Every year these nine days are a feast to children and it is very colourful. Many parents want to contribute to distribute sweets to the children and all who attend the Novena. This new custom has already permeated in all the parishes of our diocese.

This is a feast of the family. The family members all gather to have a common meal with the blessed corn and with varieties of vegetables. This is also a harvest feast wherein people thank God for all the blessings they have received during the year of cultivation. The first fruits of their hard work and manual labour are offered to God.

The family gathering and a union of all the members is to be given a first place for the feast day. All members of the same family though they are living separate come to the parental house and they reiterate their family bond. Special prayers are offered

to Mother Mary before the meals; all the absenting members are remembered; all the departed members of the family are prayed for eternal rest. In order to receive the blessed corn, the home is kept neat and tidy; the candles are lit at the altar. During the meals, the eldest of the family will distribute the new corn mixed in the milk or sweet liquid.

All those age old customs have a good meaning which finally touches the family life. I wish that this is continued and the family bonds are strengthened.

On September 8, the Church in India celebrates the 'Day of Girl Child'. Day by day the attitude of people to resort into destroying the female foetus while in the womb. It appears that the girl is a burden to the family as it grows. The church in India knowing the situation prevailing in this country has chosen this day of the birth of Mary as the day of girl child. The pastors are earnestly requested to speak about the girl child to the faithful. We have the obligation before God to save every human being right from its conception. Due to the foeticide, already we experienced the imbalance between female and male sex. Female has equal right as male to live. Let us make much of the importance of girl child in our family and in society at large.

This being my last message as the Apostolic Administrator of this diocese, I thank the editors of Internos for the service they have rendered in bringing out the Internos on time. May God bless them. Please pray for me, so that I may spend my days continuing pastoral service with earnestness and dedication wherever I will be.

STUDENTS' MOVEMENT (YCS/YSM), MANGALORE**

- 1) Dear Fathers please note that at the back ground of the Year of Rosary the YCS at the diocesan level celebrates '**Share Care September 2018**' in the month of September, the month in which we celebrate the birth of Mother Mary. Accordingly, on any day in the month as per their convenience, the 109 units in the 12 deaneries have been asked to visit a few sick in their own parishes or in the nearby ashram, pray Rosary, talk to them, help and put a smile on their faces. This will enable the teenagers to cultivate the love for the poor and needy, create a sense of charity, social responsibility and value of prayer. By doing this at the diocesan level they will also build unity among themselves which is very much desired by them at this age. **They not only play but also pray.** Please do guide them.
- 2) The **YCS-SPANDANA Govt. Scholarship Help Desk** is open at Infant Mary Campus Jeppu from August to October 2018 to help the students free of cost. Let them make use of the facility. (Details *Internos* August 2018).
- 3) Annual **YCS Lucky Benefit Coupons** are ready at the YCS office from September 2018. They are helpful in raising funds for YCS at unit and diocesan level. Animators/students/directors can collect from us.
- 4) You can arrange **YCS Parents-Students meeting** at the parish level so that the understanding between parents – students-animators-directors becomes more healthy and smoother. We are ready to help you.
- 5) **A kind request** is that whenever you have to organize a talk or training for the YCS students, if it is on YCS then please contact us the diocesan office. By this we will be able to organize YCS in a better way in the diocese with right and up to date information. But if the training is on any general topic then you are free to call us or any resource person you know.
